♩ = 120

**INTRO**    ||: C   | G   | Am   | F   :||

**VERSE 1**

G                    F                    C/E  
Your glorious cause, O God, engages our hearts

G                    F                    Am  
May Jesus Christ be known wherever we are

G                    F                    C/E                    F  
We ask not for ourselves, but for Your renown

G                    F  
The cross has saved us so we

Em                    F  
Pray Your kingdom come

**CHORUS**

C                    G                    Am                    F  
Let Your kingdom come, let Your will be done

C                    G                    Am                    F  
So that everyone might know Your Name

C                    G                    Am                    F  
Let Your song be heard everywhere on earth

Am                    G                    F  
Till Your sovereign work on earth is done

(intro)  
Let Your kingdom come

**VERSE 2**

G                    F                    C/E  
Give us Your strength, O God, and courage to speak

G                    F                    Am  
Perform Your wondrous deeds through those who are weak

G                    F                    C/E                    F  
Lord use us as You want, whatever the test

G                    F  
By grace we'll preach Your gospel

Em                    F  
Till our dying breath
